

XTRA CLEAN™

CONCENTRATED DEGREASER / CLEANING FLUID

DATA SHEET

GENERAL INFORMATION

XTRA CLEAN is a highly concentrated, all-purpose cleaning compound composed of biodegradable amphoteric surfactants. **XTRA CLEAN** does not contain hazardous butyls.

ADVANTAGES

- Non hazardous
- No Caustic Soda
- Highly concentrated for heavy-duty cleaning
- Dilute 1-10 for all-purpose cleaning
- Economical

APPLICATION

For general purpose cleaning, dilute 1 gallon of **XTRA CLEAN** to 5 gallons of water. For heavy oil stains, apply full strength to area and allow soaking for 30 minutes. Brush or spray with water.

SERVICE

A fluid technician is available 24 hours a day to assist in specific recommendations based on actual site conditions. Application techniques that are proven and field tested ensure you receive the best products and service available in the industry.

PACKAGING

Available in 5 gallon cans or 55 gallon drums.
